Dear Professor Nilsson:

Thank you for your kind note of April 5th: I have conveyed your expression of appreciation to [redacted] as well. We, too, found the session stimulating and look forward to a similar visit next year. I was particularly impressed by your International Studies program with its emphasis on foreign language and residence and, as you know, we are open to your students' candidacies for employment, whether now or in the future. Should you wish, we can arrange a visit to your campus by an Agency recruiter, preferably early in the academic year.

Best wishes for a rewarding summer and successful academic year.

I hope that a similar visit might become an annual
"fringe benefit" for our International Studies majors
and that they will be less passive in the future.

Please accept my best wishes.

Dear Dr. Nilsson:

Thank you for your letter of 1 March and enclosed data. We look forward to your arrival at approximately 2:00 p.m. on the 30th.

Reaching our location is not difficult. We are approximately six miles northwest of Washington, on the Virginia side of the Potomac. The easiest way to come is as follows:

- a) leaving the Department of State, drive south on 23rd Street, N.W. for one or two blocks, depending upon your point of departure, to Constitution Avenue where you turn right onto the ramp for Route 66 and the Theodore Roosevelt Bridge;
- b) cross the Bridge in the rightmost lane, take the first exit, "G.W. Pkwy"
- c) follow the G.W. Pkwy for approximately five miles to the exit for "Route 123, McLean"; follow the direction for McLean on Route 123;
- d) turn right at the second traffic light -- the lane will be marked with a green arrow -- which is the entrance to the Agency Headquarters; - the guard at the gate will be expecting you and will direct you to the front entrance of the building; the guard will also provide parking instructions for your bus. I will meet you at the front entrance.

Please be sure that each member of your party is carrying personal identification.

Should there be any change in your plans, or if we can be of assistance, please call me or [redacted]

Pursuant to our recent telephone conversation, I enclose a list of students and faculty members who will visit the Agency on the afternoon of Friday, March 30.

As you know, we will be leaving the State Department after having had lunch and arrive at Langley in our own bus. May I ask you to send (unless I could arrange this at State) a strip-map showing the best route between the two places.

Thank you for your ready cooperation. I look forward to meeting you on the 30th.

Sincerely,

K. Robert Nilsson
